I'll meet you down the road but until then

I'm okay

Loud mouths

You won't sleep tonight

Would've have said goodbye if I knew I was
going Would've have hugged you twice but no
one saw it coming Now I hear you telling God
that it's not fair And I know you're wondering
how I'm doing here I miss you but not that
much Cause I'm still with you I'm just not
close enough To reach out and wipe away the
lonely tear that's Rolling down your face This
is me telling you through a song I'm okay So
go on with your life don't waste another
moment Sleep in peace tonight and wake up
tomorrow knowing That you're free to feel the
sun and smile again I'll meet you down the
road but until then I miss you but not that
much Cause I'm still with you I'm just not
close enough To reach out and wipe away the
lonely tear that's Rolling down your face This
is me telling you through a song I'm okay This
is me telling you through a song Yea it's me

I'm okay lyrics
